

# Madison Memorial High School Go-to-School Night

## Monday, September 24th, 2018

Go-to-School Night this year is scheduled for **Monday, September 24th beginning promptly at 6:30 pm with all families in their student's first hour class.** Please note this change. Families will then follow their student's regular schedule, with 10 minute classes and 5 minutes for passing time. Please print a copy of your student's schedule from Infinite Campus. If you arrive that evening without a schedule, please stop in the Principal's Office to get a copy.

This is a great opportunity for us to establish productive relationships throughout our school community early in the year, and a chance for us to reinforce that we believe all students can be successful if they are well understood and well supported by the entire school community, which includes parents and guardians partnering with staff.

A number of parent organizations will have tables in the cafeteria as well, where our administrators will be throughout the evening.

Following the classroom visits, teachers will likely be in their classrooms for a short while in case you miss a class or two. We will also offer a few optional sessions for parents, from 8:15-8:45pm. These are sessions that we believe are tailored to provide relevant and timely information.
